SHANTAM GULATI

PROJECT MANAGER

A results-driven professional with a strong background in client servicing, project management, and film production. After overcoming challenges in business, I pivoted to client management and quickly developed essential soft skills and hard skills in project coordination and client relations. I successfully managed projects independently, earning a promotion within a year. Currently expanding my expertise by incorporating AI skillsets into my work. A proactive learner with a passion for adapting to new technologies and trends, I thrive in dynamic and fast-paced environments.
